The way each writing assignment build upon the last
Research paper assignment
The class discussions
Having to submit reading journals and reflections
The final paper – I really liked being able to apply my knowledge that I learned throughout the semester to craft my own immigrant story

Comments
Nothing comes to mind
Adding a student presentation
The assignments could be a bit more clear.
More info on actual immigration policies
More realistic expectations of readings – i.e., if we are told to read something for a particular class it would be nice to actually discuss it on that day instead of waiting a week
